

# Do you have a great dog?

The Orange County SPCA's pet-assisted therapy program has openings for Volunteer/Dog teams to visit hospitals, nursing homes and children's homes throughout Orange County. This is a 5-part training/evaluation process. Part I is the orientation (**without your dog**), Part II will be a site visit to a facility to observe (**without your dog**) and Part III is the pet evaluation.

The final steps are the Training/Handling class and the probationary period. All parts of this process must be completed. A \$5 material fee is payable in advance. When your dog passes the evaluation there is a \$25 Individual membership fee, which includes your tee shirt and your dog's bandana. For more information, you are invited to attend the Orientation:

Saturday, July 19th 10:00 a.m. to 12:30 p.m.  
Anaheim Public Library/ Sunkist Branch  
901 South Sunkist (between Lincoln and Ball)
