

Do you have a great dog?

The Orange County SPCA's pet-assisted therapy program has openings for Volunteer/Dog teams to visit hospitals, nursing homes and children's homes throughout Orange County. This is a 3-part training/evaluation course. Part I is the orientation, Part II will be a site visit to a facility (without your dog) and Part III is the pet evaluation. All three parts of this course must be completed. When your dog passes the evaluation there is a \$30 Individual membership fee, which includes your tee shirt, your dog's bandana and PAWS manual.

Send no money now.
